MULTI-POINT LOCK

PanoLock+ is a one-of-a-kind multi-point lock that works with most off-the-shelf lock hardware, supports a forgiving installation, and offers lasting performance, all at an affordable price point. Including electronic deadbolts.

SIERRA PACIFIC EXTERIOR DOORS\*

A grand entrance, an elegant transition between inside and outside, both doors operable, just one door operable – no matter what you need, you'll find every one of our swinging doors carries the meticulous attention to detail and innovative engineering that sets Sierra Pacific doors apart.

Hinged to fold and glide with the lightest touch, our bi-fold doors are available up to 45 feet wide and 10 feet high. Stack them to one or both sides, swing them in or out, go around 90-degree corners. You can even incorporate an access door panel to go in or out without moving your entire wall.

\* Available exclusively through special orders.

COREGUARD PLUS™

Available in primed or stain grade finishes, CoreGuard Plus™ makes a great door even better with lasting protection and reliability. All exterior door jambs with the CoreGuard Plus™ stamp feature an industry-leading 30 year warranty.

CoreGuard Plus™ is a patented wood product that helps provide protection against wood rot, water saturation, and termites. The water-based treatment process fortifies our wood door frames all the way to the core, providing an exclusive level of protection you'll only find with Dealers Warehouse exterior doors.
